

# Derma•Cen

## NON-ALCOHOL

### Foaming Instant Hand Sanitizer

- Kills 99.999% of harmful germs in as quickly as 15 seconds
- Non-Alcohol, Non-Flammable, Non-Staining Formula
- Thick, Luxurious, Non-Aerosol Foam Stays on Hands
- Hypo-Allergenic – Free of Artificial Dyes & Fragrances
- Rinse-Free – No Water or Towels Needed
- Contains Glycerin – Does Not Strip Away Natural Skin Oils
- Dispensers are ADA push-force compliant, with no ridges or openings to collect debris or grime

DermaCen NON-ALCOHOL FOAMING INSTANT HAND SANITIZER provides effective control of hand borne bacteria in areas where a non-alcohol formulation is desired. It is ideal for customers wanting an alternative to alcohol-based hand sanitizers. Regular use keeps hand sanitized between regular washings. Its no-fragrance, no-dye formula keeps hands from drying out during repeated use, leaving them with a soft feel. Independent lab testing demonstrates that DermaCen NON-ALCOHOL FOAMING INSTANT HAND SANITIZER sanitizes hands against numerous pathogens, including *Escherichia coli* ESBL, *Staphylococcus epidermidis* MDR, *Pseudomonas aeruginosa* MDR, *Enterococcus faecalis* VRE, *Methicillin Resistant Staphylococcus aureus* (MRSA), *Klebsiella pneumoniae* KPC. All of the above organisms were Time Kill studied and were determined to have a 99.999% or greater effectiveness at 15 seconds.
